Synergy Collective Society:

Synergy Collective Society (formerly Just Singin' Round Foundation) is a community-based foundation created to blend art with social responsibility. Synergy builds integrated partnerships with local Vancouver charities to support cooperative Programming and raise much needed money to sustain community services. This is achieved by teaching collaborative partnership skills and by putting these skills to practice through monthly Just Singin' Round (JSR) fundraisers that showcase prominent West Coast Artisans. JSR integrates music, dance, film, spoken word, art, food and comradeship to celebrate the spirit of culture while strengthening the fabric of community.

Just Singin' Round is held the first Tuesday of most months at the Vancouver Rowing Club in Stanley Park. Doors open at 6:00pm, dinner is served at 6:30 and the show starts at 7:30pm. Cost is a minimum donation of \$25 at the door. There will also be a limited amount of subsidized tickets available for students, youth, and seniors. As always, this will include a great show as well as a catered meal. For more information check out JSR's website at <http://www.singaround.com>.

Volunteers are always welcome!

JSR is always seeking new volunteers to help us with the showcase, so if you are interested in volunteering please let us know. In particular we always need people to help with the set up and take down of the show, as well as serving the meal and greeting people as they arrive. Please contact Yvonne at Yvonne@singaround.com if you'd like to help.

Would you like to sponsor a Songwriter's Showcase at the Rowing Club?

If you would like to sponsor a show, please contact Yvonne McSkimming at (604) 726-5277 or by email at Yvonne@singaround.com. In general it costs about \$1500.00 to put on one showcase event. The money goes towards supporting costs incurred to host the show (e.g., food, supplies-paper plates, napkins, utensils, etc, sound technician and sound system). These do vary a bit each month as different things get donated. Charitable tax receipts can also be issued for your support. For \$2,000, you will also have a table reserved at the show for ten people (an excellent opportunity to share JSR with clients, friends, family, VIPs, staff, etc.).

Making Donations to Synergy Collective Society
